Honest Olives

My Mother's Olives & Oil provides honest olives harvested, bottled and produced in small batches from olives that are grown within the mountainous and rich soils in Sparta, Greece. The yield produces high quality oil from the Koroneiki olive. Our Kalamata olives are jarred in that same oil, providing consumers with a unique flavour profile that cannot be found elsewhere. Over the generations, My Mother's Olives has come to recognize that in addition to the taste, the health benefits of consuming our olives and oils are exceptional.

History

In our family for generations, our orchards within Sparta, Greece create the perfect climate to harvest and yield our Koroneiki and Kalamata olives. We nurture our field and produce by hand, small batch, high quality olive oil and our delicious olives with My Mother's secret recipe created by Peter Eliopoulos. Over the last several years we have used our olives and oil in all of our events, restaurants and gift baskets. We are tremendously excited to now bring you our collection for your enjoyment! Edó einai gia tin ygeía sas! Here for your health!
